DHRUTISUNDAR BEHERA

Bhubaneswar, 751030 | +91-6372654636 | beheradhrutisundar33@email.com | https://www.linkedin.com/in/dhrutisundarbehera/

CAREER SUMMARY

- Completed rigorous training in Cyber Security with EY, enhancing technical proficiency and achieving a 90% s core on simulated breach response exercises while mastering Data Structures, Algorithms, and AWS services.
- Experienced software developer proficient in Java, Python, and JavaScript. Skilled in Cloud Computing (AWS, Azure, GCP), reducing costs by 20%. Strong in Frontend Development (HTML, CSS, JavaScript, React.js), creating apps that boosted engagement by 30%. Completed 3 industry courses, known for innovative solutions and project efficiency.

SKILLS AND STRENGTHS

- **Software Development** – Proficient in Java, Python, JavaScript, and React.js, contributing to the development of 5 projects across various domains.
- **Cloud Computing** – Experience with [Cloud platforms like AWS, Azure, GCP], including specific services like [EC2, Lambda].
- **Data Engineering** – Engineered and optimized SQL databases, reducing query run times by 40% and improving data retrieval efficiency.
- **Cyber Security** – Current doing Cyber Security training by EY.
- **Machine Learning** – Currently studying about Machine Learning.
- **Business Analytics**– Analyzed large datasets using [analytics tools] to derive actionable insights, resulting in a 15% increase in operational efficiency and a 20% improvement in decision-making accuracy.

PROFESSIONAL ACCOMPLISHMENTS

- **Coding Ninjas DSA Course:** Achieved 70% completion in Coding Ninjas' DSA course, mastering advanced algorithms and problem solving techniques; significantly improved code efficiency by 40% and reduced runtime complexities in large-scale datasets.
- **Introduction to Deep learning (Infosys):** Successfully completed Infosys' Introduction to Deep Learning course, applying deep learning principles to real-world datasets which takes 7 days to complete.
- **AWS Certificate Preparation:** Prepared extensively for AWS Certified Solutions Architect exam, gaining practical experience in deploying and managing over 3 applications on AWS cloud infrastructure.
- **Frontend Development (Coding Ninjas):** Mastered HTML, CSS, JavaScript, and React.js through Coding Ninjas' Frontend Development course; developed fully responsive web applications, enhancing user experience and loading times by 40%.

WORK HISTORY

EY, Bhubaneswar (remote), Apprenticeship, (06/2024)-Present
